Establishing a culturally safe environment

At Rowville Secondary College, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- r4.5 8(ui-9 ()13 .5 -(e5 g(pd)10.62.TD{ac}h-5.98(5)2.2 (o3 (h)8)-TD{ac}-1.9 ()1)-5.9 (u)-6 (8(s)..2 (d5)-3TTc 0.

To support family engagement, at Rowville Secondary College we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- Seeking feedback and contributions through the school website, newsletters, school council, subcommittees of school council including the Policy and Planning Committee and Student Representation Council, and through meetings with families and students
- all of our child safety policies and procedures will be available for students and parents at on the [College website](#)
- Newsletters will inform families and the school community about any significant updates to our child safety policies or processes, and strategies or initiatives that we are taking to ensure student safety.
- PROTECT Child Safety posters will be displayed across the school

Diversity and equity

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people
- children from culturally and linguistically diverse backgrounds
- children and young people with disabilities
- children unable to live at home or impacted by family violence
- international students
- children and young people who identify as LGBTIQ+.
